Light Arrows

The Highway Care light arrow range provides all the options you need for any traffic management requirement.

Our experts can help you choose the right light arrow products for your fleet, here are just some of the options available:

- **Light arrows**
 - fully operational from the vehicle's cab
 - LED technology for a reduced power consumption and an extended service life
 - supplied with either a folding top panel or a vertical lift mechanism
- **Red X light arrow**
 - incorporates dual colour lamp technology
 - displays red X or light arrow sign
 - works in combination with our Safe Stop 90™ HD lorry mounted crash cushion
- **Prism Sign**
 - capable of displaying left and right 610 arrows and P7029 'convoy vehicle no overtaking' messages
- **Vertical LED light arrow**
 - also available as a folding light arrow
- **Mini light arrows**
 - lightweight for rapid deployment
 - suitable for traffic management, road sweepers and waste management vehicles
 - 13 LED lamps as standard

Standards
